BUILDING BRIDGES: WORKING TOGETHER FOR SAFER PATIENT CARE

WCHSE Conference – *Registration Opens December 1*

May 16-18, 2018 / Tigh-Na-Mara Resort, Parksville BC

CALL FOR ABSTRACTS

Submit Abstracts to:
sharon_wong@bcit.ca

Please submit abstracts using the format in the attached example

We welcome abstracts from health science educators from all disciplines, including health care faculty, graduate and undergraduate students, simulation technologists, and clinical practitioners. Abstracts are due February 15, 2018.

Abstracts will be evaluated through a blind review process by members of an abstract review committee. All applicants will be notified of the outcome of this competition by March 1, 2018. Presenters must be registered participants for the conference.

Conference subthemes include:

- Coming Together: Working with Learners
- Keeping Together: Technology Creates Context
- Working Together: Collaborating Across Disciplines
